- **Design**
  1. Basic functionalities
     - Adelle: Bar chart (title and labels) with medals (checkbox) and year range
     - Yuan: Gender (radio button) on the top
     - Bo: Sport type (dropdown list) on the top, integration, and arrangement of buttons
     - Side by side for gender and sport type
  2. Advanced functionalities
     - Map (will implement if we have time)

- **Use cases**
  1. Each basic functionality will be added incrementally to the final results.

- **Coding standard**
  1. Please copy the original file and create a separate file to make changes
  2. Please add comments to any newly added code
  3. When integrating them, please remember to change file references

- **Report**
  1. Please add anything/details to the report
  2. Package for code

- **Follow-up meetings**
  1. Jan 19, 1:00 PM PST
  2. Yuan will lead the meeting
